WINDOW CLEANING AND EXTERIOR CLEANING

Established in 2008 we have recently expanded to cover all of your exterior cleaning needs, so as well as your driveways, patios, paths and walls, we are now able to:

- Clean Windows including glass / doors / frames / seals
- Clean and clear gutters, fascias and soffits
- Brighten up your conservatory (including the roof).

All at affordable prices and with complete safety working at ground level.

Our water fed pole system allows us a reach of 35ft. (3 storey's high) and our specialised vac with a reach of 40ft. incorporates a camera survey system allowing us to evaluate the condition of your guttering whilst also having the capability to target problem areas and remove obstructions including debris, leaves, pine needles etc.
